

Walk 9 – 7.9 miles: Penn Beacon Cairn Challenge!

This is a rough moorland walk starting and finishing in Cornwood, entering the moor at West Rook gate, over Rook Tor, skirting Penn Beacon and taking in cairns, stone rows and settlements.

Should only be attempted in good weather and with OS map / app and compass.

Walks are undertaken at your own risk. **Please follow the countryside code and leave no trace. It is the responsibility of the walker not to trespass, cause damage or upset livestock.** Remember that livestock are kept in the open fields and on the open moor so dogs should be kept on leads. Some pathways can be muddy and therefore, suitable footwear should be worn. But don't worry if you do get muddy shoes/boots, muddy boots are still welcome in the Cornwood Inn.... and it will clean off! We recommend you carry OS Explorer map 28 (Dartmoor) or have the OS app on your phone if venturing off the roads and onto the moor.

No description is included for this walk – hence the challenge!

Do not attempt it without OS map / app and compass (and the knowledge of how to use them).

Scan the QR code to see the walk on explore.OSmaps.com from where you can follow the route or download the GPX file if you have a premium access subscription.

Enjoy the walk and perhaps a well deserved pint on your return!
